Counselor

Whitehaven Mental Health Center, Memphis, TN

Day treatment program for mentally ill adults.

Responsibilities: Intakes; development and implementation of treatment plans; case management; facilitation of skills groups.

Supervisor: W. R. C. Smith, Executive Director

Research Experience

- 6/04 to 11/05 **Principal Investigator**
Child Trauma Study
University of Missouri-St. Louis, Psychology Dept.
Center for Trauma Recovery (CTR) and
Children's Advocacy Services of Greater St. Louis (CASGSL)
Research Area: Trauma characteristics, trauma symptoms, and
treatment outcome among children and adolescents.
Responsibilities: Development and implementation of
assessment and research protocol; supervision of research
assistants; supervision of data management operations; research
design; consultation with statistical analyst; coordination of site's
participation in NCTSN national database; modification of study design
to allow for NCTSN data sharing;
Co-Investigators: Petra Blum, MA, NCC, LPC; Matt Kliethermes, Ph.D.
- 1/96 to 7/98 **Graduate Research Coordinator**
Teen Pregnancy Resolution Outcome Study
University of Missouri-Columbia, Psychology Dept.,
Reproductive Health Services of Planned Parenthood
Research Area: Social support and psychological adjustment of
adolescents who have an abortion.
Responsibilities: Assessment of adolescents pre- and post-abortion;
project design and implementation; supervision of assistants; data
entry and analysis; and manuscript preparation.
Supervisor: Charles M. Borduin, Ph.D.; Marjorie Sable, MSW
- 10/92 - 5/94 **Graduate Research Coordinator**
Young Violent Offender Research Project
University of Missouri-Columbia, Psychology Dept.,;
Boone County Juvenile Office
Research Area: Psychosocial correlates of violent offending during
early adolescence.
Responsibilities: Assessment of juvenile offenders and their families;
project implementation; supervision of assistants; manuscript prep.
Supervisor: Charles M. Borduin, Ph.D.
- 9/91 - 5/93 **Graduate Research Assistant**
University of Missouri-Columbia, Psychology Dept.
Research Area: Smoking cessation program design for low
socioeconomic groups. Body image dissatisfaction among children
and adolescents.
Responsibilities: Focus groups; data analysis; manuscript preparation.
Supervisor: Tom DiLorenzo, Ph.D.

- 4/89 - 5/90 **Research Assistant**
U.S. International University - San Diego, Dept. of Human Behavior
Research Area: Family correlates of antisocial behavior; assessment of violent adolescents.
Responsibilities: Data analysis; manuscript preparation.
Supervisor: Scott Henggeler, Ph.D.
- 9/87 - 12/87 **Research Assistant**
University of Wisconsin-Madison, Psychology Dept.
Research Area: Genetic predispositions to schizophrenia.
Responsibilities: Assessment of subjects; scoring and coding data.
Supervisor: Loren Chapman, Ph.D.
- 1/87 - 12/87 **Research Assistant**
University of Wisconsin-Madison, Psychology Dept.
Research Area: Delinquency, psychopathy, violent behavior, and extraversion. Prediction of violence among juvenile offenders.
Responsibilities: Assessment of subjects; scoring and coding data; data entry; data analysis; manuscript preparation.
Supervisor: Joe Newman, Ph.D.
