

# Daniel J Munoz, Ph.D. Licensed Psychologist

## Contact Information

### Office

Children's Program  
7707 SW Capitol Hwy  
Portland, OR, 97219  
(503) 452-8002

## Education

**Postdoctoral Fellowship**, The University of Chicago Eating Disorders Program (July 06-July 07)  
Mentor: Dr. Daniel le Grange

**Ph.D. Clinical Psychology**, The University at Albany, State University of New York at Albany (August, 2006)

Mentor: Dr. Drew Anderson

Dissertation "*The Efficacy of Two Brief Interventions to Reduce Soda Consumption in a College Population*"

**M.A., Clinical Psychology**, The University at Albany, State University of New York at Albany (October, 2004)

Mentor: Dr. Drew Anderson

Thesis: "*The Relationship Between Family Stability and Bulimia Symptomatology*"

**B.A. Psychology**, The University of Michigan, Ann Arbor, (May 2000)

## Licensure

Oregon Licensure #1887

## Professional Experience

5/13 to Present **Vice Chair**

9/11 to Present **Clinical Psychologist**

8/08-9/11 **Assistant Professor, Clinical Psychology**

8/07-8/08 **Assistant Professor, Psychology**

7/06-7/07 **Postdoctoral Fellow, Clinical Psychology**

**Oregon Board of Psychologists**

**Children's Program**

**Pacific University**

**University of Indianapolis**

**University of Chicago**

## Research Interests

Child and Adolescent Psychopathology

Body Image and Sexuality/Gender Identification

Child obesity etiology, maintenance and treatment

Eating Disorders treatment and personality variables

Bariatric Surgery Assessment

## Teaching Experience

## Clinical Experience & Psychotherapy Training and Supervision

### Clinical Experience

Director, Solutions for Eating and Weight Problems, Children's Program (2011-Present)

Consultant and Clinician, Children's Program, Portland. (2009-Present)

- ❖ Consultation on Child Obesity Treatment Program
- ❖ Provide psychological assessment and therapeutic services for children, families and adults

Consultant, Kartini Clinic for Eating Disorders (2008-Present)

- ❖ Provide consultation on assessment of adolescent patients diagnosed with a host of disordered eating behaviors
- ❖ Provide research consultation

Consultant and Clinician, Charis Eating Disorder Center (2007-2008)

- ❖ Individual therapist for patients diagnosed with Bulimia Nervosa, Anorexia Nervosa, Binge Eating Disorder, Morbid Obesity
- ❖ Provide consultation on Dialectical Behavior Therapy and Family Based Treatment/Maudsley Approach

Postdoctoral Fellow, University of Chicago Hospitals (2006-2007)

- ❖ Pediatric Consult Liaison
- ❖ Supervise Child and Adolescent Behavioral Weight Loss Clinic

- ❖ Supervise pre-doctoral interns
- ❖ Assessment and treatment of adolescent and adults eating disorders
- ❖ Clinician, Dialectical Behavior Therapy clinic
- ❖ Clinician, Bariatric Surgery Clinic

Clinical Psychology Intern, University of Chicago Hospitals (2005-2006)

- ❖ Individual psychotherapy with children, adolescents and adults
- ❖ Assessment of patients with Anorexia, Bulimia and Binge Eating Disorder
- ❖ Assessment of patients prior to bariatric surgery
- ❖ Inpatient pediatric consultation liaison
- ❖ Integrative psychological report writing

Clinical Psychology Extern, Saint Anne Institute, Albany. (2003-2005)

- ❖ Individual psychotherapy with residential adolescent females
- ❖ Group therapy (Body Image Group; Stoplight Diet Group)
- ❖ Family therapy
- ❖ Psychological consultation
- ❖ Intellectual testing (WISC-III; WISC-IV; WRAT-III; TONI-III; WAIS-III; WIAT-II)
- ❖ Psychological testing (MMPI-A; MACI; CBCL; TRF; YSR; CDI; RCMAS; TAT)
- ❖ Integrative report writing

Clinical Psychology Extern, Psychological Services Center, Albany. (2002-2003)

- ❖ Individual psychotherapy with community based population
- ❖ Family therapy
- ❖ Intellectual testing (WISC-III; WAIS-III; WRAT-III; WJ-III)
- ❖ Neuropsychological testing (CPT-III; NEPSY; Wisconsin Card Sort)
- ❖ Psychological testing (MMPI; MMPI-A; BDI; PDI; CBCL, YSR, TRF, RCMAS, STAI, CDI, Rorschach, EDI-II, BULIT-R)
- ❖ Vocational testing (Strong Interest Inventory)

Psychotherapy Training and Supervision

- ❖ Cognitive Behavioral Therapy
- ❖ Interpersonal Psychotherapy for Depression
- ❖ Solution-Focused Therapy
- ❖ Kendall Impulsivity Treatment for Children
- ❖ Barkley Parent Training for Defiant Children
- ❖ Acceptance and Commitment Therapy
- ❖ Behavioral Therapy for Child Obesity
- ❖ Dialectical Behavior Therapy
- ❖ Family Based Treatment (Maudsley) for Adolescent Eating Disorders

## Supervisory Experience

Clinical Supervision

- ❖ Pacific University School of Professional Psychology (2009-2011): Individual supervision for practicum-level students at the Pacific University Psychological Services Center
- ❖ University of Indianapolis (2007-2008): Individual supervision for students at the Psychological Services Center; Group Child Supervision for all students at the Psychological Services Center
- ❖ University of Chicago Hospitals (2005-2007): Supervise Child and Adolescent Behavioral Weight Loss Clinic; Supervise predoctoral interns in surgical obesity assessment
- ❖ University of Chicago Eating Disorders Program (2005-2006): Supervised 3 clinical psychology

masters level externs in assessment and treatment of morbidly obese patients presenting for bariatric surgery

#### Research Supervision

- ❖ Director, Pacific University Eating and Weight Disorders Lab (2008-2011) : Lead a research lab examining the spectrum of eating and weight disorders and issues related to body image. Currently supervise a team of 10 graduate students on research projects, masters theses and doctoral-level dissertation
- ❖ University of Chicago Hospitals (2006): Supervised Dr. Mona Lal, M.D. on her 4<sup>th</sup> year psychiatric project, “Reasons for Patients Electing Weight Loss Surgery”
- ❖ University of Chicago Hospitals (2006): Supervised Jeff Wieshar, M.A.. on his doctoral dissertation project “Locus of Control and Weight Loss in Bariatric Surgery Patients”

#### Theses & Dissertations Supervised

- ❖ Jervis, S. (2011). “Review of pediatric obesity interventions”. Masters Thesis, Pacific University School of Professional Psychology.
- ❖ Quartly, S. (2011). “Effects of Homophobia on ambiguous stimuli in homosexual men”. Masters Thesis, Pacific University School of Professional Psychology.
- ❖ Shepsis, S. (2010). “ An examination of online support groups for bariatric patients” . Masters Thesis, Pacific University School of Professional Psychology.
- ❖ Sage, N. (2010). “An assessment of graduate training in education programs in working with families of LGBT origin: Student and teacher experience perception”. Masters Thesis, Pacific University School of Professional Psychology.
- ❖ Walton, A (2010) “The relationship between diet history and dieting schemata” . Masters Thesis, Pacific University School of Professional Psychology.
- ❖ Preston, S. (2010) “Eating Pathology and Female Sibling Relationships: Social Comparison and Competition between Sisters”. Masters Thesis, Pacific University School of Professional Psychology.
- ❖ Edwards, C. (2009). “Orthorexia Nervosa: Unhealthy Healthy Eating” . Masters Thesis, Pacific University School of Professional Psychology
- ❖ Luedetke, B. (2009). “Jumping-to-Conclusions in Delusion Prone Individuals”. Doctoral dissertation, University of Indianapolis
- ❖ Zakaria, L. (2009). “Gender differences influencing the relationship between family environment and eating disorder symptomatology” Doctoral dissertation, University of Indianapolis
- ❖ Fleishman, J. (2009) “The association of family mealtime and acculturation with weight in Latino youth” Masters Thesis, Pacific University School of Professional Psychology
- ❖ Maynes, K. (2009) “Childhood sexual abuse and eating disorder symptomatology” Masters Thesis, Pacific University School of Professional Psychology
- ❖ Phillips, M. (2009). “An investigation of the Freshman 15” Masters Thesis, Pacific University School of Professional Psychology

#### **Research Positions Held**

Pacific University Eating and Weight Disorders Lab (July 2008-August 2011)  
Director of Lab.

University of Chicago Eating and Weight Disorders Lab (June 2006-August 2007)

Postdoctoral Fellowship

Mentor: Dr. Daniel le Grange

University at Albany, SUNY

Graduate Research Assistant—Child Obesity and Physical Activity Project (September 2004-May 2005)

Mentor: Dr. Kirsten Davison

University at Albany, SUNY

Graduate Research Assistant—Eating and Weight Disorders Laboratory (September 2002-May 2005)

Mentor: Dr. Drew Anderson

University at Albany, SUNY

Graduate Research Assistant—Child and Family Program (September 2002-2004)

Mentor: Dr. Allen Israel

University at Albany, SUNY

Graduate Research Assistant—Autism Network (September 2001- 2003)

Mentor: Dr. Mark Durand

University of Michigan

Lab Manager, (September May 2000- August 2001)

Mentor: Dr. Susan Nolen-Hoeksema

University of Michigan

Data Manager---Racial Identity Project (September May 2000- August 2001)

Mentor: Dr. Robert Sellers

University of Michigan

Research Assistant—Abnormal Psychology Textbook (September 1999- 2000)

Mentor: Dr. James Hansell

University of Michigan

Research Assistant—Neighborhood Project/Latino Mental Health Study (September 1998- 2000)

Mentor: Dr. Rosario Ceballo

University of Michigan

Research Assistant—MOMS Study (May 1997- 2001)

Mentors: Dr. Carol Mowbray, Dr. Sang Khang, Dr. Deborah Megivern

## Research Grants, Scholarships and Awards

### Research Grants

- ❖ **Pacific University Faculty Development Grant;** “Course, Outcome and Predictors of Eating Disorders in a Child and Adolescent Clinical Population.”; \$3,000 (2010)
- ❖ **Pacific University Faculty Development Grant (co-PI);** “Pacific Physical Activity Leaders (PALS) Program.” \$3000 (2010)
- ❖ **University at Albany Career Development Grant,** University award for attendance and presentation at the Academy of Eating Disorders International Conference, \$750.00
- ❖ **Psychology Initiative Grant,** Departmental award for “The Impact of the Environment on Weight

- ❖ and Physical Activity in Adolescent Females in a Residential Treatment Facility”, \$350.00 (2004)
- ❖ **Benevolent Association Research Grant** for “The Impact of the Environment on Weight and Physical Activity in Adolescent Females in a Residential Treatment Facility”, \$1000.00 (2005)

### Scholarships and Awards

- ❖ **Berglund Fellowship for Internet Research**  
Award Period: 2009  
Amount: \$3,500  
Project: “An Online-Based Collaborative Repository of Research to Enhance Interdisciplinary Collaboration”
- ❖ **Academy of Eating Disorders Early Career Investigator Fellowship**  
Award period: 2009  
Amount: \$1,500
- ❖ **Diversity Dissertation Fellowship from Northeastern University.**  
Award Period: 9/2005 to 8/2006  
Amount: \$30,000.  
Notification received on ---- (3/2005). Award declined due to commitment to APA approved internship
- ❖ **Michigan Competitive Scholar**, University of Michigan, (1997-2000)
- ❖ **Rosa Parks Scholar**, (1992)
- ❖ **Guideposts Scholarship**, (1992)
- ❖ **Detroit News Institute for Journalism Scholarship**, (1992)
